

TagLine: Come out and freshen up

Project Description:

It's a new program called - **"Events"**.
In which you can find out what event is taking place near
you.

And also this application will help you find new friends,
scan different events and use the scans to find the information
you need. You can also upload your events and call certain people
there.

Name of the product: **Events**

What is it? **New program, in which you can find out what event is taking
place near you.**

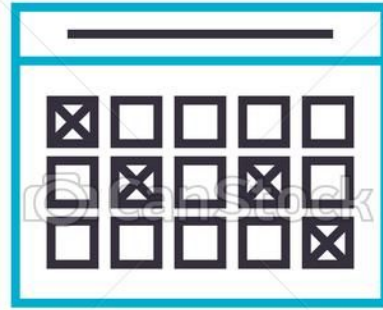

Who is it for? **For all people.**

Where / Platforms : **Android, iOS, Windows, Mac OS.**
